

# About CHiRP

## 4 Return Framework

*Inspiration*

*Social*

*Natural*

*Financial*

## Program Coverage

**Five Gram Panchayats** covering

**19 villages** with

**1627 Households**

## Program Objective

### 5-year Objective

By 2025, **2,000 hectares** of land restored and protected, with sustainable income sources based on robust local institutions and livelihoods for **1,000 smallholder families**, while creating biodiversity benefits and market linkages in Kabirdham district

### 20-year Impact

- Thriving ecosystems and holistic human well-being of local (tribal) communities.
- Best practice inclusive holistic landscape approach is scaled and replicated across India.
